

Leave XM Radio Alone!

As a typical American I have CHOSEN to purchase this service. It provides the type of radio programing that I want to hear at a price that I am willing to pay.

Because I am willing to pay for this service it should not be up to the National Association of Broadcasters to dictate what I should or should not hear. I respectfully request the FCC to reject the NAB's petition 04-160.

Sincerely,

Todd Groen
